Dr. Brayton will be back in the office on June 18<sup>th</sup>.

Dr. Mullan will not be here as of June 14<sup>th</sup>.

Dr. Kaye is off on 4<sup>th</sup> & 5<sup>th</sup> of June. She says she might take more days off depending on the results of her medical consultation. She cannot pinpoint exactly what days off she might need at this time.

We have a pending total of 22 cases. (not seen)

For the next two weeks we have scheduled 7 cases. Please note that Dr. Mullan will not carry a full workload during her last week here as she has to meet with the DA and testify in court, so she will be unavailable for at least 1/5. Days.
